New Business:

Scott Chapman suggested that the Treasurer position for CBTAPT should be a Permanent position instead of a yearly one. The By-Laws would have to be amended if there was any change to the position length.

Larry Curlis made a motion to amend the By-Laws and have trustees be nominated and have at least two trustees sign each check. Trustees would not be officers and would be nominated for three to four years.

Also a motion was made to combine the checking and scholarship accounts into one main account.

These motions were both tabled until the next months meeting.

The TAPT speech contest was to be held on the next Monday following the meeting. Wayne Cope offered to help pay for room expenses for the students who would be going to the contest.

The speaker for this meeting was Jeff Boeck with the Union Pacific Railroad. Jeff spoke on Railroad Crossing Safety. He also advised the group of the Operation Life Saver Program which can help a community get the word out on Railroad Crossing Safety.

This meetings sponsor was Andy's Auto and Bus Air, Inc.

Meeting was adjourned.
