The 2024 Holiday Season marks the 77th anniversary of the Marine Corps Reserve Toys for Tots Program! Please join us in a special Nationwide celebration of this significant milestone.

This is how our group can help the Marines and have some fun in the process:

- Bring an unwrapped toy to the luncheon and receive 3 Free Raffle Tickets for our special Christmas Gift Drawings
- The more toys you bring, the more chances you have to win!
- Not a member of TAPT? If you Join at the luncheon, we'll give you 5 Free Raffle Tickets!
- Every toy will be delivering hope and the magic of Christmas to hundreds of less fortunate children in our community
- There will be lots of outstanding Door Prizes we know everyone will want to win
- Remember, every dollar raised goes to support the Kids in our local Schools
- The donated toys go to the Marines, but the money raised in this raffle stays here

****PLEASE RSVP****

Because this is a special event that only comes around once a year, we need an accurate head count of how many to expect so we have enough food to feed everyone. Vendors, we would appreciate if you could keep your group to no more than 3 guest for this event. We hope you can make it so we can wish you a Merry Christmas in person! See you soon!
